Cardijn's Hour of the Working Class: 1948-2023

It's 75 years this year since YCW founder, Joseph Cardijn delivered his iconic 1948 lecture series, *The Hour of the Working Class*.

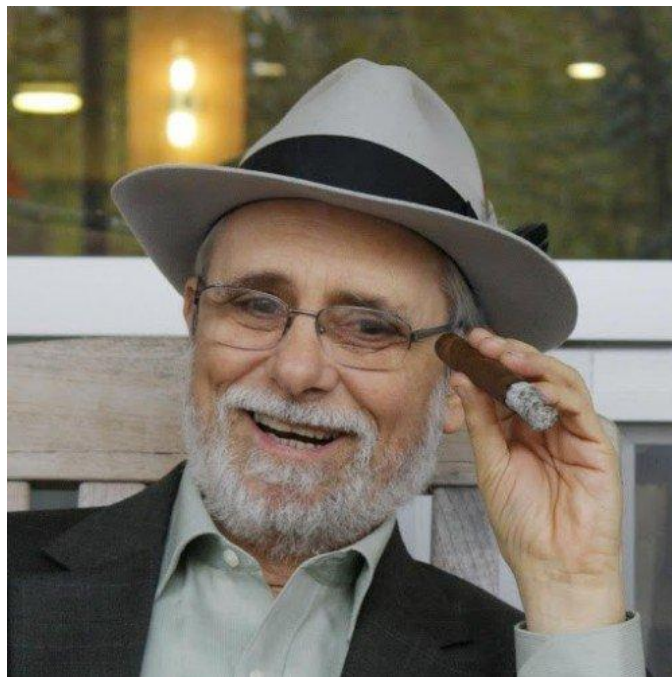

To mark the occasion, ACI has invited American Catholic Social Teaching specialist, John Médaille, to reflect on Cardijn's lectures in light of today's reality.

What does Catholic Social Teaching say about work, about class and class divisions?

Is there still a "worker problem" today?

How does the Church reach to workers, particularly young workers?

John will address these and other questions in his presentation "Cardijn's Hour of the Working Class" on Saturday 11 February 2023. Full details below.
